

Cleanse Your Consciousness To Transcend The Ego And Ascend Spiritually

The ego is a construct of the mind that creates a false sense of self. It is based on our thoughts, beliefs, and experiences, and it can lead us to feel separate from others and from our true selves. The ego can also lead us to feel inadequate, unworthy, and unlovable. It can create a cycle of negative thinking and behavior that can keep us from achieving our full potential.
