

Finding Love the Harvey Girl Way: A Timeless Guide to Romance and Adventure

In the early 20th century, the Harvey Girls were a group of young women who worked as waitresses in the restaurants of the Fred Harvey Company along the Atchison, Topeka and Santa Fe Railway. These women were known for their beauty, their charm, and their spirit of adventure. They were also known for their ability to find love.

In the book *Finding Love the Harvey Girl Way*, author Sarah Kennedy explores the romantic lives of these iconic women. She draws on interviews with former Harvey Girls, as well as archival research, to provide a fascinating glimpse into the world of love and courtship in the early 20th century.
