Girl Trouble is an illustrated memoir by Gwen Kirby that explores the complexities of growing up female in a patriarchal society. Through witty and poignant essays, Kirby shares her experiences with sexism, objectification, and body image issues. Girl Trouble is a must-read for anyone who has ever felt like an outsider or who has struggled to find their place in the world.

Kirby's writing is honest and unflinching, and she doesn't shy away from difficult topics. She writes about the time she was groped by a stranger on the subway, the time she was catcalled by a construction worker, and the time she was told by a male friend that she was "too sensitive." Kirby's experiences are all too familiar to many women, and she writes about them with a raw and powerful voice.

But Girl Trouble is not all doom and gloom. Kirby also writes about the moments of joy and empowerment that she has experienced as a woman. She writes about the time she learned to love her body, the time she found her voice as a writer, and the time she realized that she was not alone in her experiences.

Girl Trouble is a powerful and important book. It is a book that will resonate with women of all ages, and it is a book that will stay with you long after you finish reading it.

Praise for Girl Trouble

"Girl Trouble is a must-read for anyone who has ever felt like an outsider or who has struggled to find their place in the world." - Roxane Gay

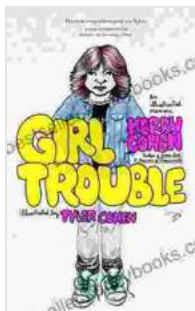

"Gwen Kirby's writing is honest, unflinching, and powerful. Girl Trouble is a book that will stay with you long after you finish reading it." - Rebecca Solnit

"Girl Trouble is a powerful and important book. It is a book that will resonate with women of all ages." - The New York Times
