# LET HER GO

The true story of my  
daughter's addiction,  
alcoholism, & prostitution,  
and my journey to serenity

by Donna Smith

In **Let Her Go**, the author takes readers on a raw and emotional journey through her daughter's addiction to drugs and alcohol, her descent into prostitution, and her eventual path to recovery. With unflinching honesty, she shares the pain and heartbreak of watching her daughter spiral out of control, the guilt and shame she felt as a mother, and the desperate hope that kept her going.

But **Let Her Go** is more than just a story of addiction. It is a story of love, resilience, and redemption. The author's love for her daughter never wavered, even when her daughter was at her worst. She never gave up on her, even when it seemed like all hope was lost. And when her daughter finally hit bottom and reached out for help, the author was there to support her every step of the way.

**Let Her Go** is a powerful and inspiring story that will resonate with anyone who has been touched by addiction. It is a story of hope and redemption, and a reminder that even in the darkest of times, there is always light at the end of the tunnel.
