In this book, bestselling author and financial expert Liana Ling shares her simple, step-by-step system for setting up your finances and achieving your financial goals without spending hours stressing over your money.

Liana's system is based on the idea of "automating your finances." This means setting up your accounts so that your money is automatically

invested, saved, and spent according to your plan. Once you've set up your system, you can literally set it and forget it.

Here are just a few of the things you'll learn in "Set It & Forget It":

* How to create a budget that works for you * How to automate your savings * How to invest your money for the long term * How to plan for retirement * How to get out of debt * How to build an emergency fund * How to protect your finances from unexpected events

"Set It & Forget It" is the perfect book for anyone who wants to take control of their finances and achieve their financial goals. It's written in a clear and concise style, and it's packed with practical advice that you can start using today.
